The Paper Flower Bar, a Signature Experience

To buy ONLY

Elevate your celebration with an experience that is as meaningful as it is beautiful. The Paper Flower Bar invites your guests to compose their own delicate bouquet from a curated collection of handcrafted paper flowers, designed with intention and artistry.

As an example: for a wedding of 90 guests, an elegant selection of approximately 45 petite bouquets (5-7 stems each) is prepared, offering a harmonious palette that complements your day. Each guest is invited to create a personal arrangement, which becomes part of your table styling before being taken home as a lasting keepsake.

A refined detail that blends creativity, elegance, and emotion. It transforms your florals into a shared and unforgettable experience.

Per bouquets: \$65. Vases non-included

How to manage the flowers during your day

Option 1: Full-Service Floral Care (Recommended)

For a seamless and stress-free experience

I'll be present on the day as part of your vendor team to ensure your flowers look perfect from start to finish. This includes setup, gentle adjustments throughout the day if needed (weather, positioning, etc.), and discreet pack-down at the end of the evening.

Option 2: Self-Managed Rental

For the ones who prefer a more flexible option

Your flowers will be delivered and set up ready for your celebration. At the end of the event, I kindly ask that all items are carefully packed and stored for collection. A refundable care bond of **\$1,000 (ONE THOUSAND)** applies, which is returned once all items are received in their original condition.

Terms & Conditions

Booking & Deposit

To secure your wedding date, a **non-refundable deposit of 30%** of the total quote is required upon confirmation. No booking is guaranteed until the deposit has been received. The remaining balance is due **no later than 14 days prior to the event**.

Design & Creative Process

Each floral piece is a bespoke creation. While clients are invited to select a **color palette and overall aesthetic direction**, specific flower varieties and exact designs are **not pre-selected or guaranteed**. This allows for full artistic freedom and ensures a cohesive, refined result aligned with the brand's signature style.

Custom Orders

All paper flowers are handcrafted and made to order. Slight variations in shape, size, and color may occur, these are part of the unique character and charm of handmade creations.

Changes & Amendments

Any changes to your order must be requested in writing. Adjustments may be accepted up to **21 days prior to the event**, subject to feasibility. Additional costs may apply.

Cancellations

In the event of cancellation, the deposit remains non-refundable.

- Cancellations made more than 30 days before the event: no further payment required.
- Cancellations within 30 days: up to **50% of the total balance** may be charged to cover materials and labour already committed.

Delivery & Setup

Delivery, setup, and pack-down (if applicable) will be outlined in your quote. The client is responsible for ensuring access to the venue at agreed times.

Care & Responsibility

Paper flowers are delicate artworks. Once delivered or installed, responsibility transfers to the client or venue. Any damage caused by the weather, handling, or external conditions is not the responsibility of the designer.
